

SOAR SCHEDULE OF FEES

2020 - 2021

Soar are committed to providing face-to-face workshops for teenagers wherever possible. This year more than ever our young people need a space to connect and talk openly with their peers. It is important they are provided an opportunity to cultivate resilience and develop the skills necessary to deal with life's challenges.

Due to Covid restrictions we have had to reconsider our pricing structure as there will be a significant impact on costs as additional staff are required to ensure smaller, safer group sizes.

Group sizes will be capped at 50*. To ensure safety for participants, group sizes will be contingent on the availability of a suitable space that can allow for social distancing.

*Subject to change based on government guidance.

For example, if you have a year group of 75 but your classrooms can only safely facilitate 25 students this will be considered 3 groups. Rates will be based on the number of groups as there will be a Soar Program Delivery Team assigned to each room.

PRICING STRUCTURE

The flat rate for our workshops is €500 per group. Additional groups will be charged at €500 per group.

Note: This will be based on class sizes and space available.

Example

1 group = €500
2 groups = €1,000
3 groups = €1,500

To protect the health and well-being of Soar staff, payments must be made by EFT. Should you have any additional queries please contact accounts@soar.ie

Note: If there are difficulties with your school covering these costs please contact us and we can discuss payment plans or fundraising ideas.
